
OVERLOOK

1971

Ben Jackson

It has been our attempt to capture this year's experiences in these few pages. We hope that which has been meaningful to us will recreate for you the highlights of Stratford Academy, 1970-1971. It is the past we reflect upon and the present we record. Although there is nothing new under the sun, we wonder still what the future may bring.

Dedication

Friendship in its truest sense is next to love. This true friend is someone who inspires us to do our best. He is the outstretched hand beckoning us to strive for the best, the friendly smile and the encouraging word that makes bleak days seem a little better.

We the Class of 1971 dedicate our annual to a true friend . . .

The first head football coach in Stratford Academy's history was a man beseiged by more than his share of problems in his first season. Bobby Brown was surprised even to be coaching a team for the 1970 campaign, having thought that he would coach his first team the following year. At the commencement of practice in mid-August, Coach Brown found himself in charge of a group who had little or no previous high school football experience. A delay in the arrival of equipment until the first of September caused Coach Brown many anxious moments.

The first game was rapidly approaching, and after much thought,

Brown decided to platoon his players, starting eleven men on offense and eleven different men on defense. The first game, a 37-14 romp over Edmund Burke, gave the Eagle fans an idea of what was to come. The first touchdown in Stratford's history came on tailback Bruce Bishop's 62 yard scoring jaunt on the third play from scrimmage.

In the second game, an unbelievable 70-0 victory over George Wal-

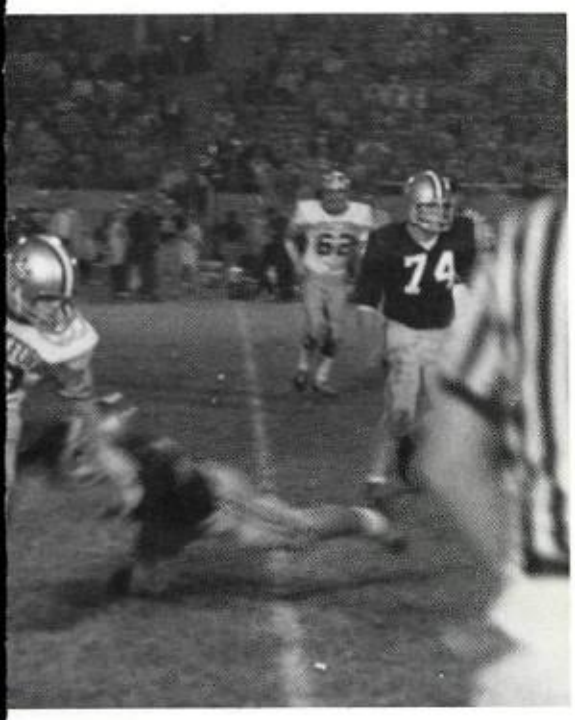
ton, Bishop scored three touchdowns, with Freddy Daniel and Tim Clifton adding two apiece. In one of the key games of the season, Stratford mauled Monroe Academy 48-0. Continuing on their winning note, the Eagles destroyed Lakeside 49-13 and stretched the win streak to four games.

Stratford's first road game, a rematch with Monroe, was played in a heavy downpour, and the Eagles were fortunate to escape with a 14-0 victory. After the offense scored the first two times they had the ball, the defense held on for the win.



During the week prior to the Deerfield game, high scoring running back Bruce Bishop sustained an injury and was lost for the season. Ricky Horne moved into the slot vacated by Bishop and did an outstanding job the rest of the season. The Deerfield game found Stratford behind at the half for the first time of the season. But a 90 yard kick-off return for a TD by Horne put the Eagles ahead to stay, and Stratford held on for a 21-12 win. In what Coach Brown described as the best game of the season, Horne scored four touchdowns and led the team to a 25-0 romp over Southland.

continued

After an outstanding regular season, Stratford found itself in the championship bout with Deerfield. Deerfield scored first for a 6-0 lead, but Horne scored a touchdown and a two point conversion to give Stratford the lead. The score remained the same until the fourth quarter when Tim Clifton returned a fumble for a touchdown. Less than a minute later, Dick McKay picked off a Deerfield aerial and scored the final touchdown of the 1970 season. The Eagles' 22-6 victory gave them the SEAIS crown and a perfect 8-0 record in their first season.

Everyone thought that the Stratford Academy basketball team would dominate competition in their first year in the SEAIS. And this was true to a very large extent. The team started off the season as if they were not to be outdone by the high-soaring Eagle football team by winning easily in their first three encounters. In the fourth game of the season the Eagles ran headlong into a good Flint River ball club and came home with their first defeat of the season, 66-63. The loss opened some eyes to the fact that the season was not to be a bed of

The squad did not lose heart with the defeat and started winning again, the next victim being Edmund Burke. After running up five more straight victories, the Eagles proved to be ungrateful hosts of their first Christmas tournament by taking the crown. In the title game against Brentwood, junior guard Joey Claxton set a new school scoring record with a 41 point performance.

land. At home Stratford gained sweet revenge over Flint River by taking a hard fought 66-62 win.

The cage team finished the remainder of the season without a loss. One of the highlights, a 113-57 romp over Nathaniel Greene, set a new school scoring record despite the fact that the game was called with two minutes left in the fourth quarter.

as favorite, Stratford coasted through the first two games by posting wins over Westfield and Burke. In a rematch with their archrival Flint River in the championship game, the good guys won a 81-70 thriller and the region championship.

In the state tournament, the Eagles had a relatively easy time in the first game by downing Fullington 66-47.

But the team had to come from behind the next night to take a narrow 63-60 win over Southwest. The championship game proved to be a rematch from football season. Deerfield was looking for revenge, but the Eagles broke open a close game in the second half and won going away 65-41. The victory gave Stratford their second state crown in two tries in the SEAIS.

Through her dealings as business manager of the home, the modern woman brings sound commercial sense to bear on her judgment of a Ford closed car.

She knows that its low first cost, its small upkeep and operation costs, and its long-sustained usefulness make it a genuine economy. She is aware that the ease with which she can get expert attention for it anywhere and at any time is an asset of great dollar-and-cents value to her.

And she is delighted to find this value in a car that she drives so easily, and whose outward style and inward comfort she so whole-heartedly approves.

Epilogue

Great ambitions are seldom realized. In the preceding 197 pages, we tried not only to set down the events of the year but also to capture the true spirit of the institution Stratford Academy. We attempted to create something that you would enjoy now but appreciate later. It is up to you the reader to decide whether our purpose has been fulfilled. In twenty years when you come across a dusty copy of this edition, we believe our ambitions will be realized. I offer my sincerest thanks to my great staff, upon whom all praise of this book should be placed.
